

## 2023 Additional Customer Fees & Charges

The following are fees established by the City of Los Angeles that the recycLA Service Provider (RSP) may charge their customers if they are unable to service the solid waste, comingled recyclables, or organic waste containers for any of these reasons:

### Overfilled:

- The solid waste, comingled recyclables, or organic waste materials are observed to extend above the rim of the container and the lid will not completely close.
- The solid waste materials are placed outside of a full container and prevent the container from being safely collected.  
✓ **\$34.11 per occurrence**

### Overweight:

- The amount of solid waste, comingled recyclables or organic waste material exceeds a collection truck's ability to collect it or creates unsafe conditions for collection personnel.  
✓ **\$137.05 per occurrence**

### Contamination:

- More than 10% of the material in the blue bin recycling container is solid waste or organic waste.
- More than 10% of the material in the green organics container is solid waste or comingled recyclables.  
✓ **\$68.22 per occurrence**

### Penalty Assessment

- Before you are assessed any fees for not properly separating your waste, the following steps will be taken by your RSP:
  - 1<sup>st</sup> instance: Photos will be taken of the non-conforming container. A written courtesy notice will be provided explaining the special collection needs of the non-conforming material and include information of potential fees.
  - 2<sup>nd</sup> instance: Same as 1<sup>st</sup> Instance with the inclusion of a contamination fee.
  - 3<sup>rd</sup> and subsequent instance: Your RSP will have the option of charging the contamination fee or initiating non-collection procedures.
  - 2<sup>nd</sup> or 3<sup>rd</sup> instances considered as such if they occur within twelve (12) calendar months.

### Hazardous, Radiological or Biochemical Waste Contamination:

- State law prohibits the disposal of hazardous waste and certain electronic waste in the solid waste, comingled recyclables, or organic waste containers.  
✓ **\$137.05 per occurrence**

### Bulky Waste:

- Materials which are too large to be placed in the black bin.
