<b>City of Los Angeles Ordinance 187711</b> .....	26

Dear recycLA customer,

In July 2017, the City of Los Angeles (City) launched recycLA, a public-private partnership that, for the first time in the history of the City, offers customer-friendly and efficient waste and recycling collection services to commercial/industrial businesses and large multifamily buildings. recycLA will help move the City closer to achieving its zero waste goals through its pioneering waste reduction, reuse, recycling, and recovery programs.

recycLA offers a host of benefits to those who work and live in Los Angeles including but not limited to clean fuel vehicles, recycling at 100% of customer sites, annual landfill reduction targets of one million tons, and recycling infrastructure investment and development.

recycLA also offers a host of benefits to its customers which includes standardized and transparent rates, customizable waste and recycling services, 24/7 customer service support, and enforcement of customer service standards.

As a potential recycLA customer, you are receiving this notice as part of the recycLA customer onboarding process. Commercial and Multi-Family businesses must work with their designated recycLA Service Provider (RSP) for their waste and recycling services. Signing up for recycLA waste and recycling collection services requires a Waste Assessment wherein you will work with your designated RSP to customize your waste and recycling services. Appointments for Waste Assessments can be made by calling LA Sanitation's (LASAN) 24/7 Customer Care Center at 1-800-773-2489.

Please be advised that Commercial and Multi-Family Businesses are required to have waste and recycling collection services in accordance with the Los Angeles Municipal Code (LAMC) section 66.33.2. Failure to subscribe to and maintain active recycLA waste and recycling collection services is a violation of the City's ordinance and may lead to prosecution.

Thank you in advance for your cooperation and participation in the recycLA customer onboarding process. If you would like more information about recycLA, please visit [recycLA.com](http://recycLA.com).

## **CUSTOMER RIGHTS AND RESPONSIBILITIES**

### **CUSTOMER SERVICE AGREEMENT/LEVEL OF SERVICE**

- Your recycLA Service Provider (RSP) will provide you with a Service Agreement Form that identifies all the services provided to you along with all the associated costs including any Extra services.
- You will be provided with solid resources containers (Black, Blue, and Green Bins) of sufficient size, type and number to ensure that all solid resources are properly stored and contained until they are removed for disposal or processing.
- If you submit a request for a change in service level which results in a lower rate, your billing amount will be adjusted within seven (7) days of the date of request regardless of whether or not the correct containers or changes in service level is provided within that timeframe. All billings shall be prorated to reflect changes in service level.

### **COLLECTION FREQUENCY/HOLIDAYS/EXTRA SERVICES**

- Your collection service will include at a minimum one 96 gallon Black refuse/garbage Bin and one 96 gallon Blue comingled recycling Bin that will be collected at least once a week.
- Days of collection will be Monday thru Saturday. You can request for a Sunday collection for an additional service fee. If your scheduled collection day falls on a holiday, your RSP will provide collection service on the day before the holiday, if requested, or within one (1) day of the scheduled collection. Sunday collection service is excluded if the holiday falls on a Saturday.
- Extra Services may be applicable to your situation. See the separate Additional Customer Fees and Charges list of Extra Services and associated fees and charges.

### **WHAT WILL BE COLLECTED**

- Your RSP will collect commercial and multi-family refuse/garbage in Black Bins, recyclable materials in Blue Bins and organic waste in Green Bins. If applicable, Horse Manure will be collected in Brown Bins. Refer to LAMC Sec. 66.03
- You will provide full access to your containers on your designated collection day(s). The RSPs cannot remove obstructions to access your containers.

## **NEVER PUT THESE MATERIALS IN YOUR BINS**

- **State law prohibits the disposal of hazardous waste and certain electronic waste in your containers.**

These wastes includes but are not limited to:

<b>Certain Mercury-containing Devices</b> (i.e.: Batteries, Thermometers)	<b>Construction and Demolition Waste</b> (i.e.: Concrete, Wood, Asphalt)	<b>Electronic Waste – Items with an Electrical Cord</b> (i.e.: Large Appliances, TVs, DVDs, VCRs)
<b>Fluorescent Light Tubes/Bulbs</b>	<b>Radiological Waste</b>	<b>Medical Waste</b>
<b>Pharmaceuticals/Over-the-Counter Medicines</b>	<b>Paints</b>	<b>Pesticides</b>
<b>Sharps</b>	<b>Used Motor Oil</b>	<b>Solvents</b>

## **MISSED COLLECTION**

- If your RSP is at fault for a missed collection and you report it before 2:00 PM on your scheduled collection day, your RSP will provide the collection by 6:00 PM on the same day. All missed collections reported after 2:00 PM on the day of collection will be collected by 10:00 AM on the next regular service day, Monday-Saturday. If a missed collection is resolved on a Sunday, you will not be charged additional fees for this collection.
- To report a missed collection call 311, 1-800-773-2489 or go to recycLA.com.

## **CONTAINER REPAIR/REPLACEMENT/SERVICE**

- Your RSP will repair or replace your containers as the result of normal wear and tear, resulting from proper use, or damage resulting from the RSP's actions at no cost to you.
- You will be responsible for the cost of repair or replacement of containers that are damaged as a result of your negligence or misuse, including overfilling or depositing of prohibited materials.
- You are entitled to one (1) free steam cleaning per twelve (12) month period per container upon request. You can request additional steam cleanings for an additional fee.
- Your RSP is responsible for removing graffiti from RSP-supplied containers upon request at no charge up to three (3) times per twelve (12) month period. Any additional requests, within the twelve (12) month period will be an additional fee. Your RSP will remove graffiti reported within five (5) business days of notification. For containers owned by you, you may request graffiti removal by your RSP for an additional fee.
- Your RSP will be responsible for all costs associated with the repair or replacement of property that has been damaged by the RSP's equipment, employees or agents.

## **MULTI-FAMILY VALET SERVICE**

- Your RSP will continue to provide valet service to all multi-family establishments that were enrolled in the CITY's Multifamily Residential Recycling Program (MFRP) at no additional cost. You may choose to continue your current collection program. The following changes in service level may result in the cancellation of the valet service:
  - ✓ An increase in the frequency of collection of the Blue Bin(s); or
  - ✓ A change in container size or type (i.e., replacing 96 gallon carts with a 3 cubic yard bin).

## **REASONS FOR NON-COLLECTION**

- Should your RSP not be able to collect a container due to the following reasons, a written Non-Collection Notice will be left indicating the reason(s) such as:
  - ✓ Container(s) is determined to contain hazardous waste, medical waste, electronic waste, exempt materials, or construction and demolition materials.
  - ✓ Blue Bin(s), Green Bin(s), or Brown Bin(s) are determined to be contaminated after the RSP has left the required number of notifications.
  - ✓ Container(s) is overweight and cannot be safely moved and/or emptied by RSP personnel and/or equipment
  - ✓ Container(s) contents will not empty after tipping
  - ✓ Container(s) is overfilled
  - ✓ Container(s) is blocked or inaccessible. The RSP cannot remove obstructions to access your containers.
- Non-collection will result in an additional charge.

## **BILLING**

- Your RSP will bill you on a monthly basis that will cover the following month's service.
- You will have the option to pay your monthly bill by mail, online, and phone or at your RSP's Customer Service Center. You will also have the option of receiving proof of payment via paper, electronic or both methods for all transactions.
- If you are billed an amount greater than appropriate for the service you are enrolled at any time during the term of the agreement and for any reason, your RSP will promptly credit your account for the full amount that was overbilled. You will have the choice of your refund to be in the form of check or credit.
- Monthly payments are due 15 days after you receive your bill. Bills not paid by the due date will be considered delinquent and may result in late fees, missed collection, and eventual suspension of services.
- Rates will be adjusted on an annual basis at the beginning of each year.

## Food Rescue and Materials Reuse in the recycLA Franchise Program

The recycLA Franchise Program includes Food Rescue and Materials Reuse Programs for commercial businesses and multi-family residents in the City of Los Angeles. Since the recycLA program began in 2018, the recycLA Service Providers (RSPs) have been meeting and sometimes surpassing their contractual requirements of partnering with non-profit Food Rescue Organizations or Community Based Organizations to fund food rescue and materials reuse programs. Here’s a snapshot of what we’ve accomplished from January 2018 through December 2024.

	Food Rescue	Material Reuse	Program Total
<b>Total Funding</b>	<b>\$4,165,995</b>	<b>\$778,802</b>	<b>\$4,944,797</b>
<b>Total Pounds donated</b>	<b>61,310,147</b>	<b>6,777,997</b>	<b>68,088,144</b>
<b>Number of Meals donated</b>	<b>51,091,789</b>	<b>N/A</b>	<b>N/A</b>

According to the U.S Environmental Protection Agency, in the United States, food is the single largest category of material placed in municipal landfills, where it emits methane, a powerful greenhouse gas. Municipal solid waste landfills are the third-largest source of human-related methane emissions in the United States, accounting for approximately 14.1 percent of these emissions.

CalRecycle, a California State Agency, states that “Californians throw away nearly 4.4 million tons of food scraps or food waste each year. This represents about 11 percent of all the material that goes to landfills.”

California Senate Bill (SB 1383) is a short-lived climate pollutants regulation that went into effect on January 1, 2022. The goal of the mandate is to reduce California’s landfilled organic waste by 75 percent by 2025. It also requires that 20 percent of presently disposed surplus edible food be recovered for human consumption by 2025. The City of Los Angeles’ Organics Ordinance No. 187711 became effective on January 18, 2023 to ensure implementation and enforcement of the state-mandated SB 1383.

Your RSP is committed to offering organic services (green bin) to all recycLA customers. Additionally, your RSP actively supports local food rescue initiatives, aimed at gathering surplus edible food suitable for human consumption, thereby bolstering the City's ability to provide for its most vulnerable communities.

If your business is a Tier 1 or Tier 2 edible food generator and you produce surplus edible food, then you are required to establish a contract or written agreement with a local Food Rescue Organization (FRO) or Food Service Provider (FRS) and donate the maximum amount of surplus edible food that would otherwise go to landfills. You must also keep records of all donations that are provided to your FRO/FRS partner and make them available to City staff during a site inspection.

The **TIER 1** and **TIER 2** businesses include:

**TIER 1:** Wholesale Food Vendor, Food Service Provider, Food Distributor, Grocery Stores and Supermarkets (10,000 sq. ft. or more)

**TIER 2:** Hotels (with onsite Food Facilities and 200+ Rooms), State Agency Cafeterias (greater than or equal to 5,000 sq. ft. or 250+ seats, Large Venues and Events, Restaurant Facilities (greater than or equal to 5,000 sq. ft. or 250+ seats, and Health Facilities (with onsite Food Facilities and 100+ beds)

To learn more about the California legislation or City Ordinance go to [recycLA.com/organics](http://recycLA.com/organics).

If you would like to learn more about the services offered in your Franchise Zone, please contact your RSP.

For questions or concerns, contact the LA Sanitation Customer Care Center at 1-800-773-2489.

# FOOD RESCUE AND MATERIALS REUSE

## SERVICES FOR BUSINESSES

Athens Services has collaborated with the following nonprofit organizations to help businesses donate their edible food and reusable materials that would otherwise go to waste. Please contact these organizations to learn more about their programs.

### FOOD DONATION

**By participating in a food rescue program, a business can reduce their waste, while supporting the social, economic, and environmental well-being of Angelenos.**

Athens Services' food recovery partners will assist your business with its food donation setup, needs, and concerns. Prior to donating, arrange an initial meeting to discuss partnership logistics. For additional resources and tips visit [LA.AthensServices.com/reuse](http://LA.AthensServices.com/reuse)

### DONATIONS ARE LEGALLY PROTECTED

Food donations are legally protected and supported by the California Department of Public Health. The California Good Samaritan Food Donation Act (AB 1219) provides liability protections for entities that make good faith donations of surplus food. The federal Bill Emerson Good Samaritan Food Donation Act also protects businesses from civil and criminal liability, should donated products cause any harm to the recipient. For further information, please contact an Athens Services food recovery partner or your county's Department of Public Health.

## OFFICIAL NOTICE

### MANDATORY COMMERCIAL ORGANICS RECYCLING

---

To reduce methane emissions from landfill California Senate Bill 1383 (SB 1383) requires all businesses, schools, and multifamily complexes to subscribe to an organics collection service and must separate into their green organics container all of their green waste, food scraps, and food-soiled paper (100% fiber based).

Further, in accordance with Los Angeles Municipal Code Section 66.03(e), Solid Waste Services Required, *“All commercial establishments and multifamily properties shall have collection services for source-separated recyclables and/or commingled recyclables and Source-Separated Organic Waste”*

To arrange for recycling service please contact our 24-hour Customer Care Center at 1-800-773-2489 and request a waste assessment. Your recycLA service provider will conduct a waste assessment of your property and work with you to determine your optimal level of services for the lowest possible cost. The waste assessment is a thorough walk-through of your property to determine current levels of service, opportunities to increase recycling, establish organics collection, and right-sizing your bins, which means determining the appropriate bin size for your needs as well as selecting the appropriate frequency of service. Remember as you add green bin service you should be able to decrease your black bin service. In addition, as you increase your blue service level you should be able to further decrease your black bin service.

Failure to maintain organics recycling could lead to future fines, in accordance with the requirements under SB 1383.

# SB 1383: CALIFORNIA'S SHORT-LIVED CLIMATE POLLUTANT REDUCTION LAW

## Tackling Greenhouse Gas Emissions by Recycling Organics Waste

SB 1383 targets the reduction of methane emissions from landfills. The law establishes a target of 50% by 2020 and 75% by 2025 in the reduction of statewide disposal of organics waste. In addition, businesses are required to recover and donate the maximum amount of edible food that would otherwise be sent to landfill. Landfills are the third largest source of methane in California. Organics waste emits 20% of the state's methane; a climate super pollutant up to 84 times more potent than carbon dioxide.

### Who & When Must Customers Comply?

As of January 1, 2022, all residents and businesses in California must separate organics waste into a separate green organics container.

### How Do I Comply?

SB 1383 requires residents and businesses to arrange for organics waste recycling services.

### What is Organics Waste?

Organics waste includes food scraps, yard trimmings, and 100% fiber-based food-soiled paper.

## ACCEPTABLE ORGANICS WASTE

\* The new Removing Barriers to Recycling Program will eliminate, through credits to customers, extra service charges for access and distance fees on the blue bins effective April 1, 2019. Customers will see these charges and credits on their monthly invoice for the duration of the Removing Barriers to Recycling Program.

## 2025 Additional Customer Fees & Charges

The following are fees established by the City of Los Angeles that the recycLA Service Provider (RSP) may charge their customers if they service the solid waste, comingled recyclables, or organic waste containers for any of these reasons:

### Overfilled:

- The solid waste, comingled recyclables, or organic waste materials are observed to extend above the rim of the container and the lid will not completely close.
- The solid waste materials are placed outside of a full container and prevent the container from being safely collected.  
✓ **\$37.61 per occurrence**

### Overweight:

- The amount of solid waste, comingled recyclables or organic waste material exceeds a collection truck's ability to collect it or creates unsafe conditions for collection personnel.  
✓ **\$151.10 per occurrence**

### Contamination:

- More than 10% of the material in the blue bin recycling container is solid waste or organic waste.
- More than 10% of the material in the green organics container is solid waste or comingled recyclables.  
✓ **\$75.21 per occurrence**

### Penalty Assessment

- Before you are assessed any fees for not properly separating your waste, the following steps will be taken by your RSP:
  - 1<sup>st</sup> instance: Photos will be taken of the non-conforming container. A written courtesy notice will be provided explaining the special collection needs of the non-conforming material and include information of potential fees.
  - 2<sup>nd</sup> instance: Same as 1<sup>st</sup> Instance with the inclusion of a contamination fee.
  - 3<sup>rd</sup> and subsequent instance: Your RSP will have the option of charging the contamination fee or initiating non-collection procedures.
  - 2<sup>nd</sup> or 3<sup>rd</sup> instances considered as such if they occur within twelve (12) calendar months.

### Hazardous, Radiological or Biochemical Waste Contamination:

- State law prohibits the disposal of hazardous waste and certain electronic waste in the solid waste, comingled recyclables, or organic waste containers.  
✓ **\$151.10 per occurrence**

### Bulky Waste:

- Materials which are too large to be placed in the black bin.  
✓ **\$45.13 per item**

# City of Los Angeles Organics Waste Ordinance

---

## Los Angeles Municipal Code Ordinance No. 187711

The City of Los Angeles passed Ordinance 187711, which states that effective January 18, 2023, all businesses, schools, and multifamily complexes are required to subscribe to an organics collection service and must separate into their green organics container ALL of their green waste, food scraps and food-soiled paper (100% fiber based).

In addition, Edible Food Generators (considered Tier 1 and Tier 2) must recover the maximum amount of edible food that would otherwise be disposed of, arrange for food donation and collection through contracts or written agreements with food recovery organizations or services, and maintain food donation records.
